On-the-Job Training

Philippine Normal University - MISO (Management Information Systems Office)

System Developer | February 24, 2025 - May 27, 2025 / Client: UHSU (University Health Services Unit)

- Developed a web-based Appointment System for Dental and Massage Chair Reservations using Laravel Herd, MySQL, and XAMPP, with UI built on Bootstrap 5 (Mazer template)
- Built features for appointment booking, admin approval/rejection, and timeslots modification
- Implemented monthly dental and massage chair reports (filling and extraction) with PDF export functionality
- Used GitHub and GitHub Desktop for version control and project collaboration
